Class Requirements

Tutor Libby Jonson
Knit 2 Fit classes + Masterclass

- A blocked swatch (approx 6" x 6") in DK yarn, knitted in stocking-stitch on 4mm needles (preferably in the round);
- Pen or pencil
- Tape measure AND ruler
- Calculator (your phone will probably have one on it).

Select a Truly Myrtle garment pattern you'd like, send me an email and let me know so I can bring it along: libby@trulymyrtle.com.
You can find them all here: https://www.ravelry.com/designers/libby-jonson

Homework
Before class you'll need to find some DK yarn (about 20 g in total) and knit a gauge swatch in stocking-stitch with 4mm needles. Ideally you'll knit your swatch in the round but if you're not ready to try that, just do a regular flat swatch, about 6" by 6". When you're done, soak and lay your swatch out to dry naturally. It might pay to knit your swatch a few days before the class so you've got time to block it and get it dry. *(If you run out of time, steam it with an iron instead. It's not quite as good but it'll do the trick).*

Confused about swatching? Don't fret - we'll talk about swatching in the class, but in the meantime, have a read of this article from my mini-mag all about swatching:
http://us9.campaign-archive2.com/?u=ba71722bd1c56cfcd3f95aff7&id=f145013630

- If you have an item of clothing where the colour makes you feel fabulous then bring it along and we will analyse it.
- **A pattern** that you plan on making so that you can leave with a colour plan.

I will be providing colouring in pencils, notes and colour wheels to have a play with so come with a sense of adventure ready to have some fun!

Three Colour Yokes

- Bring along a **previously completed colourwork project** for show and tell.
- **A pattern** that you plan on making with a colour work yoke so that you can leave with a colour plan in place.

I will be providing colouring in pencils, notes and colour wheels to have a play with so come with a sense of adventure ready to have some fun!

KAN: Homegrown Photo Competition

Sponsored by Skeinz

Skeinz sponsors the KAN photo competition with some incredible yarn prizes to be won!

So get those smart phone cameras out this weekend and start uploading from August 25th until August 30th. You have two places to upload: Instagram & Facebook using the **#kanphotocomp2021 or #knitaugustnights2021**

If you need help with uploads, come and see me or any of our tech savvy attendee's (I'll point them out) to help – of you can email your picture to info@knitaugustnights.co.nz or email be directly if you aren't a social media user.

Judging will take place early the next week and the winner will have their prize dispatched out to them ASAP – I have AWESOME images entered every year.

The FOUR themes this year are:

Made by Hand - a celebrations of all those incredible hand made yarn creations and how they are worn.

Cheers Chairs – Capture yourself having a great time at KAN and extra kudos if you include our latest Ahuriri 'chair-ful' installation (you'll see when you get here *wink)

With a little help from my friends – What makes KAN such a success is the people. Post images of you having a great time with your friends old and new.

Bombs Away - This was so much fun last year - whether it's photo bombing or yarn bombing - get creative and have some fun!

These images may be used for the specific purpose of promoting current or future KAN events

Marvellously Myrtle!

I know that you are going to be packing that Truly Myrtle design to wear to KAN - so make sure you get it on and meet Maree & Libby for a very special KAN photo.

How many Myrtles's can your get on the beach?

Meet at the KAN Info Desk at East Pier
Saturday 8.10am SHARP
Truly Myrtle Knit Mandatory!

What's Happening at Skeinz?

Skeinz will not be trading at the event at East Pier, simply because there is just too much yarn for us to try and decide our favourites.

They will however have their famous KAN Sale on in store and online.
This is the first KAN since the new Taradale store has been opened. So even if you have been to KAN before, you must come and visit the new store!

There are also a handful of classes at Skeinz. We will be running free shuttles to the classes from East Pier on Friday & Saturday.

Skeinz **WILL NOT be open on Sunday** – but back open Monday for any final purchases.

*If you want to shop early – the KAN Sale starts online on Wednesday 25th – if you select "Collect In store" please put **"Coming to KAN"** in the comments so we can prioritise your order to be ready for you to collect from the Skeinz Store*

Skeinz Shuttles and Mill Tours

Skeinz will be open and running FREE shuttles (driven by Mr KAN & Poppa KAN) from the shop to the event from opening until closing on FRIDAY & SATURDAY.

On Saturday we will also have our famous Skeinz Mill Tour. If you have never been to the mill – the tour is a MUST DO. This tours is open to partners and friends of KAN attendees.
The shuttle will ren a loop from the venue to the Mill then the shop (just around the corner)

The shop is also open from 10am until 3.30pm on weekdays & from 9am til 1pm on KAN Saturday.

Last shuttle departs East Pier Saturday at 12pm, with return after closing (after we've swept the mill to make sure you haven't snuck in!!).

Tours are 9.15am, 10.15am, 11,15am and 12.15pm – if you are in a morning class, you will have time to go straight to the mill for the final tour.

Making your own way there?

Skeinz Store - 102 Taradale Road, Onekawa, Napier
Skeinz Mill – 5 Husheer Place, Onekawa, Napier

Social Butterflies

At KAN check in you will see small butterfly stickers - place one on your name card. These are to help if you are nervous about attending KAN, want to interact but not entirely sure how, or just a little shy.

By wearing one of these butterflies on your lanyard it discreetly signals to myself, KAN Angels and other well-seasoned KAN attendees that you are open to be approached and included into group's conversations.

If you need to some time out - feel free to take a break in our beautiful Ahuriri village. Beattie & Forbes booksellers, the courtyard outside Ahuriri Pharmacy, Perfume Point (outside East Pier) are all great places to take five from the craziness of KAN.

Knit August Nights Code of Conduct

Love, kindness & respect are the essential core of Knit August Nights. This includes respect for everyone as a core part of the events identity. As a sole operator I have worked very hard in ensuring that Knit August Nights is welcoming to all.

As such, I consider discrimination of any kind unacceptable. Discrimination based on gender, age, race, ethnicity, national origin, religion, political affiliation, sexual orientation, gender identity, family status, disability, physical size, vaccination status, medical or a genetic condition will not be tolerated.

I strongly believe that it is my responsibility to promote and defend love, kindness, respect, and community at KAN. I have a zero-tolerance policy toward discrimination, bullying, and being a general douche bag. Among, but not limited to, the discriminatory conducts that I find unacceptable are bullying, inappropriate physical contact, or any form of physical, verbal, or non-verbal harassment or abuse toward anyone for any reason.
As such, I reserve the right to take appropriate actions and/or remove from my event any person that, in my judgment, fails to adhere to our zero-tolerance discrimination and/or bullying policies.

If at any time you feel that there has been a breach in this policy - please contact me in the first instance. The very importance of this is such that I will handle these personally and kindly request that at no time you put yourself in a compromising position by attempting to rectify a breach yourself. If I am not immediately available, please seek out one of my KAN Angel volunteers who have been fully briefed in providing a safe space for anyone who requires sanctuary.

Useful Info if Travelling with Family

I know many of you are travelling down as a family or with your significant other. Here are a few distractions they may wish to check out whilst you are up to your eyeballs in fibrous nirvana.

Marine Parade – Has seen a massive overhaul in the past several years. From Ocean Spa all the way down to the Aquarium, make sure you see the new viewing platform giving you some of the best views of the Bay, the kids will love Bay Skate, Lick This ice-cream parlour and the walking paths.

National Aquarium of NZ: - Even if you have been before, this gem on Marine Parade is worth a repeat visit. The penguin recovery sanctuary is now open, the penguin rescue room is fabulous & you always get to see the Kiwi (check out their website for feeding times)

Ocean Spa: - Pack your togs as Napier famous Ocean Spa, just a 15 minute walk around the waterfront on the Rotary Pathway on Marine Parade, has hot pools which are very family friendly. It is also the perfect place to visit after a long day stitching at KAN.

Spriggs Park & Marine Parade Playgrounds: - Spriggs park is the beachfront playground, just a few minutes' walk along the pathway (towards the Port) from the KAN Venue at East Pier. It's a great place to let the kids let off stream if you are staying nearby. If you want to experience a larger playground, which is fully fenced (great if you have a wee escape artist), the Marine Parade playground is the play for you. It's just before the National Aquarium on Marine Parade. Catch the Hopper bus from Ahuriri into town & the playground is about a 7 minute walk from the Napier i-site.

Hire a Bike: - There are two great bike hire companies, to help get you on two wheels and exploring the extensive range of cycleways we have in the Bay. Takako Trails is situated in the Ahuriri Village and Fish Bike in on Marine Parade, next to Ocean Spa.

The Globe Theatre – Ahuriri's own boutique cinema situated in the heart of the Crown Hotel complex. It show's a mix of current block busters and arthouse films, The Globe is a comfortable 45 seat cinema that allows you to escape for a few hours. View coming attractions here.

HB Farmers Market – Is held in Napier on Saturday mornings in Clive Square (just over the hill from Ahuriri) or at the Hastings Showgrounds on Sunday. More info here
